

BTEC Level 3 Nationals in **Land-based**

In association with

Career opportunities and study programmes

Pearson BTEC and **Lantra Awards** have teamed-up to offer your Level 3 learners comprehensive study programmes designed around specific land-based occupations. This means BTEC Level 3 Nationals learners can:

- acquire the **key industry skills, knowledge** and **regulatory certification** employers in this sector expect and look for
- cover some of the content for the Lantra Awards legislative tests within their current BTEC Level 3 Nationals study programmes
- be confident they have the skills they will need to get their career off to the best possible start.

Explore your career-focused study programmes:
