Vice Principal - James Watt College

£80,000

BMet is extremely ambitious for the future of its learners and its colleges. It has a strong desire to deliver to regional and national agendas in Further Education and skills development, build new professional partnerships and deliver outstanding learning opportunities.

It is one of the largest Further Education Colleges in the UK with over 15,000 learners across its sites in Birmingham, which include James Watt College, Matthew Boulton College and Sutton Coldfield College.

Our New Vice Principal for James Watt College will have a proven track record of leading on a complex and diverse curriculum as well as delivering continuous improvement in teaching, learning and assessment.

Morgan Hunt has been appointed to support the College with this crucial appointment. Interested parties are recommended to have an initial conversation with Reece Turner ahead of the advertised closing date. To arrange a convenient time, please email reece.turner@morganhunt.com

WESTMINSTER ADULT EDUCATION SERVICE

Head of Quality Improvement

£46,293 to £49,203 per annum | Start September 2020

Westminster Adult Education Service is the largest local authority adult education service in London and one of the largest in the country. We provide life-changing learning opportunities for our learners through our further education qualification courses, apprenticeship programmes and extensive community based provision.

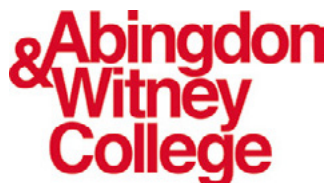

To provide positive leadership and management by creating a supportive and innovative environment that encourages commitment to the service and achievement of high standards in teaching,

learning and assessment.

You will lead the service on teaching, learning and assessment (including digital skills), IQA, self-assessment and improvement planning processes at all levels providing guidance and challenge for departments to reach the highest standards possible.

A degree or professional qualification and a recognised teaching qualification at level 5 are essential.

Senior Management Team positions

We are a highly successful, inclusive and ambitious general college of further education and proud winners of multiple national and local awards for our work. Following the appointment of the current Deputy to Principal, applications are sought for the following opportunities within our Senior Management Team:

Vice Principal (Funding, Planning and Systems Improvement)
£73,980 per annum

A new role, and a very exciting opportunity for the right candidate to transform the college-wide data and information agenda in the interests of students, staff well-being and business performance.

Assistant Principal (Apprenticeships and Employer Engagement)
£65,000 per annum

Could you provide strategic leadership for our Ofsted-graded "Outstanding" apprenticeship provision through the next stage of its development, and drive forward an innovative cross-college employer engagement strategy? Then this could be the right opportunity for you!

We are also looking for two exceptional candidates to join us as Heads of Faculty:

Head of Apprenticeships
£51,144 - £56,442 per annum

To lead our Ofsted-graded 'Outstanding' apprenticeship team.

Head of Technology
£51,144 - £56,442 per annum

To lead our Technology Faculty, incorporating FE and HE provision in Engineering, Motor Vehicle, IT and Science.

Our wider mission is to change the lives of our students and our community. If you would like to be a part of that, we'd love to hear from you. If you are interested in applying for any of these opportunities, please email humanresources@abingdon-witney.ac.uk for full details in order to apply.
