Why advertise with EduWeek Jobs?

EduWeek Jobs recruitment advertising

Simple, Affordable, Effective.

Six reasons to use EduWeek Jobs:

A highly engaged and inquisitive readership

FE Week is targeted at professionals who have a strong knowledge of and interest in the further education and skills sector

Honesty is the best policy

We know our audience and what will appeal to them. Simultaneously, we want our clients to receive good value for money. We will not accept a role that we do not believe will be of interest to our readers. We want to see a successful recruitment campaign as much as our clients do.

Dedicated account manager

You will have a dedicated account manager who will be responsible for your campaign, from the initial enquiry to the closing date. They will gain an understanding of your organisation and vacancy, and recommend what will work best for the role you are recruiting

Simple and clear pricing

Our pricing is straightforward. There are no additional charges for leadership roles, attachments or logos. If you do not successfully appoint first time around, we will re-advertise your role free of charge.

Quick turnaround

Our team will upload your jobs quickly, with most vacancies going live within the hour after booking. Adverts in our print edition can be designed by the *FE Week* design team, who can provide bespoke advert artwork for your organisation within a few hours.

Job adverts in the print edition

We do not have additional supplements for adverts. Our classified job adverts are placed in the very centre of *FE Week*.
