

If apprenticeship start numbers continue to fall, which of the following should the government do?

1. Increase the number of employers caught by the levy by lowering the £3m annual payroll threshold

8%

2. Return to fully funded 16-18 apprenticeships

21%

3. Abandon cash contributions required from non-levy paying employers completely 24%

4. Change the funding bands for the new standards

5. Increase the non-levy funding allocations for SMEs

47%
