# Get help to retrain

Use this service to find out other types of work you can do with your current skills. You'll then build an action plan to fill any skill gaps you have and change jobs.

This service is designed to help if:

- you're employed
- you don't have a degree
- you're aged 24 or over
- you're earning below £35,000 a year

If these don't all apply to you, try visiting the [National Careers Service](#) or your local [Jobcentre Plus](#) instead.
